

## **Registered Massage Therapist - London, ON**

We are looking for a Registered Massage Therapist interested in running their practice out of Align Family Health & Fitness – A Movement and Treatment Studio. We are a group of other Sole Proprietors (including an Osteopath, Kinesiologist, Physiotherapist and Massage Therapist) who are passionate about helping people move pain and injury free. We have an established steady client base who appreciates the multi-disciplinary approach to their health care. Align is a newly renovated space with a community feel. We get to know our clients who come in regularly to utilize the various disciplines represented at Align. Align provides the following services to help support you in your RMT practice.

### **Align Provides:**

- Marketing (including website with your personal profile, ongoing paid advertising on Google and Facebook to keep your schedule full)
- Business Coaching – clinic is run by another sole proprietor health care professional
- Partial Administration Support – we book new clients into your schedule
- Jane Bookings and Bookkeeping Support – provide revenue and tax reports to simplify your taxes at the end of the year.
- RMT Room fitted with a massage bed
- Established client base
- Provide start-up linens, but encouraged to get a set of your own.

### **Sole Proprietor RMT Responsibilities:**

- Must hold a valid business license and GST number
- Must be a Registered Massage Therapist with the College of Massage Therapists of Ontario
- Must have up to date personal liability insurance
- Kinesiology Degree is an asset, but not required
- New Graduates are encouraged to apply - They should have registered courses completed with your clinical experience if practicing for more than 1 year or have interest in pursuing continued education courses if they are a new graduate – have an area of specialty or interest (for example, TMJ, fascial release techniques, deep tissue, etc)
- Structural Integration Training/Knowledge is an asset.
- Wash own linens and towels.
- Provide consumables (for example massage oils, heating pad)

**Fee for Services:** Revenue split 70/30

**Start Date:** As soon as possible.
