

Job Description

Registered Massage Therapist - London, ON

If you're a Massage Therapist who is personable and passionate about helping people stay pain and injury free, Align Family Health & Fitness has an excellent opportunity enabling you to work with a steady clientele in a bright and inviting, newly renovated studio in southwest London Ontario.

Align Family Health & Fitness is looking for a **part-time Massage Therapist** who is looking to gain **full-time** hours once their client base grows. This is your opportunity to do the work you love every day. Using your therapy skills, you will achieve outstanding **clinical outcomes and client engagement** with your clients.

Characteristics of Aligns Ideal Fit:

- Our ideal candidate is a person who has a passion to transform lives through health and wellness.
- They are highly motivated, energetic, and friendly and will be invested in each client's success and struggles.
- They have the ability to build a patient roster through current member base, new inquires, or community outreach efforts
- They are able to prepare and deliver comprehensive treatment plans based on clients' goals and assessments.
- They should be a contributing member to the team and Align community.
- They must be passionate about learning, growing and expanding skill-sets along-side a group of other high-level health professionals.

Qualifications of Aligns ideal fit:

- They should have highly refined skills for assessment and treatment of acute and chronic injuries, while enabling people to reach their full potential.
- They should demonstrate the ability to use clinical judgment and perform the physical demands of massage therapy.
- They should be able work with patients of all ages and ability levels
- They should demonstrate effective communication skills and customer service skills
- They must maintain up to date and accurate charts at all times, through SOAP notes or other college approved charting methods.
- They must show a willingness to participate in quality improvement programs, clinic and department meetings as well as community events with enthusiasm and commitment.

Certifications/Education Level

- Must be a Registered Massage Therapist with the College of Massage Therapists of Ontario
- They must have up to date personal liability insurance.
- They should have registered courses completed with your clinical experience if practicing for more than 1 year or have interest in pursuing continued education courses if they are a new graduate.
- Cardiopulmonary Resuscitation Certification (CPR) is mandatory.
- Structural Integration Training/Knowledge is an asset.
- Myofascial Release Therapy is an asset.

Compensation: Competitive Revenue split option

About Align Family Health & Fitness:
